Q4: Family ACTIVation Pack

Year 1 Parents

This term, Year 1 students will be bringing home a Family ACTIVation Pack (one per family) – an awesome pack to get children and parents skilled, active & healthy!

The Family ACTIVation Pack is designed to help parents / carers get active with their children by playing quick, easy and fun games at home, in the park or wherever games that reinforce the fundamental movement skills already being learnt at school. There are all sorts of tips, ideas and guides for getting active including putting together an 'Active Home Entertainment Centre'.

This resource has been developed by Central Coast Local Health District and supported by the NSW Department of Education. 4000 Family ACTIVation Packs are being distributed to primary schools on the Central Coast during this Term.

For more details check out the website www.healthpromotion.com.au click on Q4:Family Activation Pack.

We hope this pack helps families to get skilled, get active and get healthy!

SPOTLIGHT ON 1MK!

This term, 1MK are studying a new Geography unit based on the Ourimbah Rainforest and its links to the Aboriginal and Torres Strait Islanders. The students are very excited and have already begun exploring the rainforest. Last week, the students read the Aboriginal dreamtime story 'The Special Platypus'. This dreamtime story is a NSW Central Coast story. We will be investigating a range of dream time stories throughout this term. This story focused on what makes you special. The students drew self-portraits and identified traits that make them special. The students have also started a research project on platypuses and will have them on display later this term.

YEAR 6 MINI FETE

The students and teachers of Year 6 would like to thank all OPS students and staff from Kindergarten to Year 5 for their support at the recent Year 6 Mini Fete. The funds raised will go a long way towards covering the costs for the traditional end of year activities for Year 6 as well as a gift to thank the school for the memories over each student's time at OPS.

A huge thank you also for the help provided on the day by Mr and Mrs Barkley and Mr and Mrs Dallas. Your time and effort was valued and appreciated by all involved.

Finally, a special thank you to Mr Abbott for his ongoing effort with Year 6. The length of time he works on preparing for his role with the fete seems endless and his enthusiasm limitless. We appreciate all that you do.

Thanks heaps

SCHOOL BANKING NEWS

New School Banking rewards now available!

Exciting new Term 4 rewards with an Outback Savers theme are now available, while stocks last!

Bush Fly Fan

Wiggly Glow Worm

For every deposit made at school students will receive a silver Dollarmites token. Once students have individually collected 10 tokens they can redeem them for exclusive School Banking reward items in recognition of their regular savings habits. There are two new items released each term so be sure to keep an eye out for them!

Thank you for supporting the School Banking program at Ourimbah and remember School Banking day is every Thursday.

There's more to explore at the Canyon of Savings.

Congratulations to all School Banking participants who have qualified for the Term 4 Prize Lights and Grand Prize competitions by displaying consistent savings behaviour. Will your child be the one to meet Robert and Bindi Irwin on a VIP visit to Australia Zoo? The Grand Prize winner will be posted at commbank.com.au/schoolbanking on 17 October. The Prize Lights winners will be posted on commbank.com.au/prizelights from 19 October.

Remember, there are more rewards before our Outback adventure is over. School Banking is releasing two Term 4 reward items that are sure to keep students saving. After completing 10 deposits, your child can redeem a Bush Fly Fan or a Wiggly Glow Worm.

Add to your child's financial literacy

While School Banking aims to make money skills more fun and engaging for your child, you can further fuel that interest at home. For example, have you explained the difference between needs and wants? A simple way to demonstrate this is to get them to help write your shopping list, placing the "needs" and the "wants" into separate columns. Then let your child find each item at the shops and tick it off their list, to reinforce the idea.

That's one of many educational tips you'll find in three new videos we've added to The Beanstalk. These short videos cover easy ways to help teach smart money management to your kids. To watch them, and to discover other insightful articles and activities, go to commbank.com.au/beanstalk.

Activity: Outback checklist

As the Dollarmites prepare for their trip home through the Outback, they need to buy supplies for the road. Can your child help them work out what will be essential and what are treats they can do without? All they have to do is organise these items into "needs" and "wants". Then add up the price tags of the wants to figure out how much the Dollarmites would save by only buying the needs.

NEED WANT

Savings: \$5 \$20 \$5 \$10 \$2 \$4 \$2
