PRINCIPALS MESSAGE

Easter Hat Parade

Our K-2 Easter Hat Parade was a huge success with parents/carers, grandparents and friends coming into school to help us celebrate. The boys and girls did a fantastic job making their hats in class, demonstrating much creativity and engagement in learning. They entertained us with their Easter Hat Parade and their special performances. Thank you to Mrs Miranda for organising the parade and to the parents and friends who came along to join in this special time with us.

'You can become the PERSON you want to be.'

Class Coordinators

All K-2 classes now have an active Class Coordinator and a facebook communication page. Thank you to the P&C for supporting this initiative, to Jane Brooker who is the Class Coordinator's Coordinator and to the parents who have volunteered to take on this important role. We are fortunate to have such a wonderful, supportive parent body.

P&C Easter Raffle

The raffle was drawn on Tuesday and there were lots of great prizes going home with the boys and girls who were fortunate enough to win a prize. A list of winners is included further on in the newsletter. Thank you to the P&C, especially Jane Brooker and her helpers for coordinating the raffle. Thank you also to Albina Enberg for donating the treats that students in KS & 6E, our two winning classes, each received.

School Canteen

The canteen is now opening on Mondays. This is a trial and if its operation on Mondays is sustainable, we will continue with this service. Thank you to Elise Blomfield, our Canteen Manager, who does a great job in the canteen and also to our mums, dads, grandparents and friends who assist with the canteen. It is a real team effort which is an enjoyable, rewarding experience. If you have any time to spare, please volunteer to assist in the canteen. The boys and girls love to see their parents serving in the canteen, there are smiles all around.

We are looking forward to working together, supporting the implementation of the strategic directions in our 2015-17 School Plan.

Lockdown and Evacuation Practice

Last week, we practiced our school lockdown and evaluation procedures. Everyone in the school was involved and the students were very sensible and exceptionally well behaved. Congratulations to everyone

involved, on a job well done, especially to our Kindergarten students who have not experienced a drill before.

Staff Professional Learning

All staff have done much professional learning throughout the term. We have had school based professional learning on Staff Development Days and every Monday afternoon after school, with staff staying back at work for an additional hour. In addition to this, we have just completed two 3-6 pm sessions. FOV (Focus on Vocabulary), has been introduced with staff working in action research teams on project based learning.

Staff News

Mr Edwards is on leave until the end of the term and he is being replaced by Mr Sam Korsch. Mrs English is on leave until the end of the term and she is being replaced by Mrs Haydon.

Learning Management Business Reform (LMBR)

The Department of Education is implementing a major reorganisation of the way school finances and student administration is processed.

Over a 10 week period, 2 office staff members will be attending 15 days of training to learn the implementation of the new systems. During this time all effort will be made by office administration staff to ensure the smooth transition to the new system without disrupting daily routines; however please be patient during this time.

There will also be a one week period from **10th May until 16th May** where we will transition to the new finance system and bank account. During this time we will not be able to accept payments by cash, cheque or online.

It is necessary for ALL outstanding payments for **Mathletics, Reading Eggs, Voluntary Contributions, Band, etc to be finalised as soon as possible, preferably by the end of this term.**

Until next time,
Mrs Linda Trigg

SPOTLIGHT ON 3/4B!

What's happening in 3/4B?

This term we have been looking at the unit 'We Are Australian'. Students have researched Aussie colloquial speech, studied the paintings of Ken Done, designed their own money and discussed the ways Australia has changed over time. They also identified foods from other countries and what foods are often identified with Australia. 'Dead horse with dog's eye,' was a favourite. 3/4B had the opportunity to be involved in a connected classroom lesson about 'Farming Through History in Australia'. We connected with other schools, such as Queanbeyan West, as Farmer Tim showed us how his farm operates. The Connected Classroom (video conferencing) screen allows us to connect with other schools, as well as be involved in virtual excursions. Students of 3/4 B and Mrs Bowd

STEWART HOUSE DONATION DRIVE

The Stewart House donation drive is on again and donation envelopes were sent home last week. If you wish to donate to this wonderful cause, then please place a \$2.00 coin in the envelope and fill in your details and return to school by **Friday, 8th April** (last day of term) for your chance to win a family holiday valued at \$4000. Please note the return date is different to the date stated on the envelope, as we will be in the process of changing to our new payment system and will not be able to process money during this time.

Stewart House is the NSW Public Education's Charity of Choice and your donations support the 1,800 children who attend Stewart House each year from public schools across NSW and the ACT.

QUESTACON SCIENCE CIRCUS K-6

The Questacon Science Circus will be visiting our school on Monday, 23rd May for all students in K-6. The cost to participate in this activity is \$5.00 per student. A note with full information will come home this week.

We are asking for payment for this activity before the end of this term (Thursday, 7th April) while we are still on the current payment system and before we go live on the new LMBR system.

Thank you in advance for your support.

VOLUNTARY SCHOOL CONTRIBUTIONS

Our Voluntary Contributions for this year have been set at \$46.00 per student or \$100.00 per family for 3 or more students. The voluntary contribution from our parents is an important part of school finances that contribute to our ability to ensure we have adequate resources in the classroom for your children. Our school delivers great learning programs for students and your support is appreciated.

Reminder invoices have been sent home to all families who have not yet paid the contribution.

Payment of the contributions can be made via Parent Online Payment (POP) under the Voluntary Contributions tab or by cash or cheque and can be paid at the office or sent to the class teacher.

MATHLETICS & READING EGGS DUE NOW

Please finalise your payments for Mathletics and Reading Eggs before the end of term. This was due on Thursday, 3rd March and children **will not** have access to these valuable learning tools until payment has been received.

JUSTICE OF THE PEACE

Ourimbah Public School has a staff member who is a JP. Please phone the school office to arrange a suitable time if needing the services of a Justice of the Peace.

MARINERS' VISIT RESCHEDULED

Unfortunately we had to postpone this week's football clinic. We have rescheduled the session for the 30th and 31st of May (Wk6, T2).

RAP (RAINFOREST ACCESS PROJECT)

Weekly Working Bee

There is a weekly working bee each Tuesday morning (9 - 10 am) this term, to help our school's rainforest and frog ponds look their best. If you enjoy working outdoors and are able to volunteer one or two hours as a one-off, or each week, please dress in gardening clothes, with closed shoes and meet outside the office at 9 am. Gardening gloves and equipment are provided.

FUNGI FORAY & FOREST FROLIC

3:15 pm - 4:45 pm, Thursday 31st March

You're all invited to OPS C oval for light afternoon tea and an informative tour through our Rainforest Access Project (R.A.P.) Trail with Wyong Shire Council's fungi expert, Nikki Bennetts. Depending on the weather we may see a little or a lot of fungi, but there are lots of other things to observe at this time of the year. All children need to attend with an adult for supervision.

Please bring: Gum boots or good covered shoes, long sleeved top and pants, water and sunscreen. Students can get changed at school.

Optional: Camera or magnifying glass.

RSVP Friday, 25th March: please help us plan for this event by simply texting the number of participants to Nicole Worrall on 0431540633

K-2 EASTER HAT PARADE

The Easter bunny must have been watching as he sure made sure the sun shone for the K-2 Easter Hat Parade! The children very proudly paraded their Easter hats showing a sea of colourful hats and creative designs. The children did a fine job of entertaining visitors with Easter songs. Mrs Trigg awarded merits to children who displayed effort in their learning and citizenship. Finally, to the amazement of the children, the Easter bunny delivered some delicious surprises to classrooms.

Many thanks to K-2 staff for their involvement and cooperation in helping to make the day special. Many thanks also to parents & caregivers who attended the event and sent in craft resources.
