### A Time to Shine – VSLC Leadership Group: Colour Run

Congratulations to the Year 6 Leadership Team for organising such a fantastic Colour Run – it was a HUGE success! We were fortunate enough to have some fantastic weather and the smiles on our students' and teachers' faces said it all.

As part of their annual fundraising efforts, the Stage 3 Leadership Group have done an amazing job raising \$16,897 as part of their Leadership Project – **Beau H, Mark P, Phoenix R, Ashton C, Anup P, Billy I, Blayne D, Jasper C-D, Maddie L, Marli B, Lilly A, Evie C, Lucy B** and **Torin A-L**. The money raised will go towards upgrading the playground artworks with some new stencils, games and activities.

A massive thank you to **Mrs Elsey** for organising this wonderful school event and to all of the teachers who were willing to be slimed – **Mr Bradbury, Mrs Elsey, Mrs Alamango** and **Mr Francis**. Although Mr Wilson was away last Friday and avoided being slimed, we will see if we can convince him to honour his agreement this week!

## Grandparents Day –Tuesday 22 October

What a wonderful day we had celebrating Grandparent's Day last Tuesday. We were overwhelmed by the support we received by all of the grandparents and grandfriends who visited the open classrooms and found a quiet spot to read a book with their grandchildren in the playground.

A massive thank you to **Mrs Dunn** and **Mr Bradury** for co-ordinating this year's K-2 assembly and to **Mrs Kenny** who organised the primary assembly. Thank you for coming in and sharing in this special occasion. Life in today's society can be extremely busy and increasingly challenging for the younger generation. Those core values that we once collectively held close to our hearts – such as RESPECT, TOLERANCE, INTEGRITY, EMPATHY and FAIRNESS have been eroded from some sectors of society and we find ourselves living in a very

face-paced and often a very over-complicated world. Please never underestimate the role you play in your grandchild's education as we pause and reflect upon what really matters – and that is... taking time to recognise the wonderful impact our family has upon us as confident and creative individuals and the way that we are nurtured to become active and informed citizens through a lifelong learning process.

I would also like to thank all of the P&C volunteers who helped out with the complimentary afternoon tea – your assistance was greatly appreciated!

### World Teachers' Day

Last Friday (25 October) we celebrated World Teachers' Day. On this day we acknowledge teachers and share our appreciation for the invaluable work that our educators do. The impact that a teacher can have on the life of a student can stretch far beyond the doors of a classroom and last for many years after a child has graduated from school.

Thank you to our P&C who spoil our teachers with a special morning tea last week. The staff at our school do a marvellous job each and every day. Teaching is a very rewarding but also very busy profession. Teachers are always working after hours: planning lessons, marking books, developing individual learning plans, planning extra-curricular activities and special events. Teaching is definitely not just a 9:00am to 3:00pm job. I thank the amazing teaching staff of Ourimbah PS for their dedication and hard work. **What a wonderful team!**

### Sporting Champions

A HUGE congratulations to two sporting legends from OPS.

**Summah C** recently competed at the NSW State Athletics Carnival where she finished an amazing 4<sup>th</sup> place in the final of the girls' U13 100m sprint – congratulations, Summah; what an amazing result!

A special congratulations also to **Natalia C** who today competed at the State Boccia competition – more news to come about how Natalia went on the day.

### Student Leaders 2025

Over the past few weeks, the Stage 3 teachers have been discussing the leadership process with all Year 5 students, bearing in mind that students who aspire to leadership positions must consistently demonstrate the Ourimbah Public School's core values by being **Safe, Respectful and Responsible Learners**.

As in previous years, six leaders will be elected following a thorough nomination process, including all candidates presenting a speech to their peers and their teachers in the coming weeks. **Good luck to all nominees!**

### School Planning 2025

Is your family returning to Ourimbah PS in 2025? If you are moving out of the area or intend enrolling your children at another school in 2025, please let the front office know in writing as soon as possible.

The **School Leadership Team** and I are beginning our preparations for the new school year and we require accurate enrolment figures to determine how our school is staffed and the likely class structures for next year.

If you are aware of any students moving into our area who will be attending our school in 2025 please ask the families to make contact with the school and commence the enrolment process.

If you have any concerns pertaining to your child's class placement next year, please take the time to talk **to your child's class teacher early in Term 4** and jot your concerns down in writing so we can ensure we are addressing any parental affairs when classes are being drafted.

Any parental requests in relation to class placements for the following school year **must be made annually** to avoid disappointment once classes have been finalised at the beginning of the new school year!

The executive staff and I are happy for parents to outline aspects of their child's learning and development that **may need special consideration** when forming class compositions for the following year, which may impact upon their academic, social or emotional wellbeing. However, **please do not request specific teachers** as we do not take these sorts of requests into consideration when composing class lists.

### Student Wellbeing and Health Care

We welcome information from parents about your **child's health**, even if you are not requesting specific support from our school. Our school asks for **medical information** when you enrol your child. It is also important that you let us know if your child's health care needs change or if a new health condition develops.

Information about **allergies, medical conditions** such as **asthma, anaphylaxis, diabetes** and other health care related issues (including prior conditions such as medical procedures in the last 12 months) should be provided to the school by parents. Please provide this information **in writing to the principal**. This will greatly assist our school in planning to support your child's individual health and wellbeing.

Please also remember to notify staff in the school office of any changes to your **contact details** or to the contact details of other people nominated as **emergency contacts**.

We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and will only be used or disclosed in order to support your son or daughter's health needs or as otherwise required by law.

When a medical practitioner has **prescribed medication** that **must be** administered during the school day, parents are responsible to request the school's support **in writing**. Students **must not carry medications** unless there is a **written agreement** between the school and the student's parents that this is a planned part of the **student's individual health care support**. Please consider the following points when communicating with our school about your child's health care needs:

- ✓ liaise with the child's **medical practitioner** about the implications of the child's health condition for their schooling.

- ✓ where medication is prescribed, ask the medical practitioner whether the medication is available in a form which **minimises or eliminates** the need to provide the medication during the school day.
- ✓ **convey all relevant advice and information** from the medical practitioner to the school.
- ✓ **provide prescribed medication** and '**consumables**' for administration by the school in a timely way and as agreed with the principal and described in your child's **Individual Health Care Plan**.
- ✓ collaborate with the school in planning to support the child's health needs at school including **updating information** and **reviewing plans**.

Please contact the **front office (4362 1033)** should you require a note requesting the school's support for your child's personal health care needs. Those parents who have already provided the school with this relevant information need only inform the school if your **child's health care needs have changed**.

### Staff Development Day - Thursday 19 / Friday 20 December

School development days (SDD) are used by schools to build on the knowledge and skills of our teachers, school leaders and school administrative support staff through a targeted professional learning program.

Professional learning is important in building the capabilities of all staff to ensure a highly skilled and professional workforce that can support the department's vision for NSW public education to be Australia's best education system and one of the finest in the world. School development days improve the learning outcomes of students by:

- providing targeted professional learning activities aligned to school strategic directions and Department of Education priorities
- enabling whole school planning and enhancing teacher quality, school leadership and management practices
- implementing legislative and policy requirements.

Please be aware that the last two days of the 2024 school year are designated SDD – Thursday 19 and Friday 20 December. **School finishes for all students on Wednesday 18 December 2024.**

### Bushfire Response Plan – Category 1

Please be advised of the school's bushfire emergency arrangements for the upcoming bushfire season. Our school is in a bushfire prone area and is listed as Category 1 on the NSW Department of Education's bushfire risk register.

To ensure the health, safety and welfare of students and staff, the department has determined that on days when NSW Rural Fire Service declares a Catastrophic Fire Danger Rating for Greater Sydney Region, our school will temporarily cease operations for the following day.

In addition, schools may be made non-operational due to changing higher risk conditions and advice from emergency services and the State Emergency Operations Centre.

We recommend that you download the [NSW Education Parent App](#) and select to monitor advice from our school which will push notifications to you advising that the school is non-operational. We also recommend that you stay up to date with bushfire and grassfire activity by using the [Hazards Near Me app](#) (set a watch zone for your school area), and by monitoring local media. You can also review fire activity and alert levels on the [RFS website](#).

A flyer outlining information for parents and carers about arrangements for the bushfire danger period has been included with this week's newsletter.

### **Selective High School - 2024**

Selective high schools cater for academically gifted students with high potential who may otherwise be without sufficient classmates at their own academic standard. Selective high schools help these students to learn by grouping them with students of similar ability and by using specialised teaching methods.

Applications for selective high school placement are considered on the basis of the Selective High School Placement Test results and no longer takes into account school assessment scores. The **Selective High School Placement Test** will be held on **Thursday 4 May 2023**.

Applications for Year 7 entry to selective high schools in 2024 will be accepted **from Tuesday 18 October 2022 to Wednesday 16 November 2022**. You must apply before the closing date as no late applications will be considered. Please note, there are no paper application forms.

Further information, including a link to the online registration site, will be distributed once it has been received by the school.

### **Santa Snaps**

Santa Photos are coming back to Ourimbah PS, with our friends from LookPro Photography coming on board once again! The team from LookPro Photography offer an affordable, fun and unique Santa photo experience that gets you away from shopping centre queues!

Their unique Santa photo experience is more than just a collection of beautiful Christmas memories. It's also a fundraiser for the Ourimbah PS P&C Association, where they generously give back a \$10 sitting fee for each session booked.

A flyer has been previously sent out via the School Bytes email portal with a QR-code where you can begin to book your Christmas photos.

Kind regards,

Greg Francis (Principal)

## GRAND FINALISTS CENTRAL COAST PUBLIC SPEAKING COMPETITION

Last week I had the great pleasure of attending the Central Coast Public Speaking Grand Final at Somersby Public School. The competition started with 100 students from 50 schools on the Central Coast. Two of our own Ourimbah students Maddie L and Charlotte W made it all the way to the Grand Final. The girls both delivered their speeches with NO palm cards and spoke with passion, enthusiasm, humour and just a little bit of magic thrown in. They were both breathtakingly good, and I was incredibly proud of them. Congratulations girls, you are both gifted speakers and the world is your oyster.

## BOOK FAIR SUCCESS!

A heartfelt thank you to everyone who visited our book fair last week! We extend a special shout-out to the grandparents who came in and delighted their grandchildren by picking up some great reads.

We're excited to announce that we raised just under \$2,500, which will go towards purchasing new books from

Scholastic. This means our students will have access to the latest fantastic selection of literature, helping to foster a love for reading.

We'd also like to express our gratitude to those who donated books to our library. The students are already buzzing with excitement and can't wait to borrow them!

Thank you for your support in promoting literacy and enriching our school community!

**Happy Reading!**

Teacher Librarian

## BOOKCLUB ISSUE 7 CLOSSES TOMORROW, THURSDAY, 31<sup>ST</sup> OCTOBER

Any orders for Issue 7 need to be **returned to the office by tomorrow, Thursday, 31<sup>st</sup> October.**

If you wish to place an order for Book Club, please be sure to fill in the order forms correctly, with your child's name and class and then send with payment to class teacher or the front office. Orders can be paid by cash or cheque or by ordering online with your credit card via the LOOP option.

## LOST PROPERTY

Once again there is a mountain of clothing, sitting in the lost property box in the office and it is only Week 3 of the new term!

Most items have no names on them. If your child or children have lost items of clothing, a drink bottle or lunchbox, please come in and have a look so that hopefully these items can be claimed and not end up disposed of?

# GET READY FOR BUSH FIRE PREPARE YOUR HOME

A well prepared home is more likely to survive a bush fire.

Even if your plan is to leave early, the more you prepare your home, the more likely it will survive a bush fire or ember attack.

A well prepared home can also:

- Be easier for you or firefighters to defend
- Be less likely to put your neighbours' homes at risk
- Give you more protection if a fire threatens suddenly and you cannot leave

## 📋 TOP 5 ACTIONS TO MAKE YOUR HOME SAFER

There are simple things you can do around your home to prepare it for a bush fire. Some are regular actions, like mowing the lawn, others are one-off, but all could help save you, your family and your home.

PREPARATION ACTION	WHO'S RESPONSIBLE	COMPLETE
<input type="checkbox"/> Trim overhanging trees and shrubs. This can stop the fire spreading to your home.		___/___/___
<input type="checkbox"/> Mow grass and remove the cuttings. Having a cleared area around your home will give firefighters a safe area to work.		___/___/___
<input type="checkbox"/> Remove material that can burn around your home. This includes things such as door mats, wood piles, mulch, leaves, outdoor furniture.		___/___/___
<input type="checkbox"/> Clear and remove all the debris and leaves from the gutters surrounding your home. Burning embers can set your home on fire.		___/___/___
<input type="checkbox"/> Prepare a sturdy hose/s that will reach all around your home. Make sure you have a reliable source of water (pool, tank, dam) and a diesel/petrol pump available.		___/___/___

## ✔ MORE PERMANENT PROTECTION FOR YOUR HOME

### PROTECTION ITEMS

<input type="checkbox"/> Block areas where embers can enter the house (external walls, windows, doors, under house)	<input type="checkbox"/> Replace wood fences with metal fences
<input type="checkbox"/> Install metal fly screens on all windows and vents	<input type="checkbox"/> Use stones instead of mulch
<input type="checkbox"/> Install metal gutter guards	<input type="checkbox"/> Repair damaged or missing tiles on roof
<input type="checkbox"/> Position gas cylinders on side of house and away from trees and gardens, direct any pressure valves away from house	<input type="checkbox"/> If you have a pool, tank or dam, put a Static Water Supply (SWS) sign on your property entrance, so firefighters know where they can get water
<input type="checkbox"/> Install a fire sprinkler system to gutters	<input type="checkbox"/> Check and maintain adequate levels of home and contents insurance. Ensure it is up to date.
<input type="checkbox"/> Move garden beds away from house

# OURIMBAH SCHOOL BAND JOIN THE BAND!

Is your child interested in joining the school band?

The school band is now taking enrolments for 2025 and is open to all students currently in years 2-5.

No prior experience needed!

### **What do you need to do?**

Complete an online [Expression of Interest](https://teachingservices.com.au/EOI) form. Your child will then meet with a music teacher at school to determine to which instrument they may be best suited.

<https://teachingservices.com.au/EOI>

More detailed information will then be sent home, prior to online enrolment for 2025. If your child is an existing band student with TSA, no need to re-enrol.

Learning an instrument in an ensemble is a great way to experience the social, educational and personal benefits that music and the arts have to offer! TSA provides a variety of tuition options as well as instrument hire and sales to help parents give the gift of music to their children.

TSA is a registered Creative Kids provider and delivers instrumental programs with a focus on inclusion, student engagement and well-being.

## School Band Program

Dear Parents,

Today your child attended a demonstration showcasing the instruments available to learn at school in 2025. If you would like more information please register your interest using the link or QR code below within the next **5 days**.

Once you have registered your child's interest TSA will then conduct instrument trials at school to help your child discover which instrument they are most suited to. Following the instrument trials, an *Enrolment Pack* will be sent home with your child. This will contain more detailed information about the school band program along with the result of their instrument trial.

### **Band Program Structure**

**Rehearsal** (all students work together in a full band setting)

- Once a week, generally before or after school, for 30-60 minutes

**Tuition** (students work in small groups or individually to learn new skills)

- 30min per week, at school, usually on the same day as rehearsal

Students attend both **rehearsal** and **tuition** at school. Regular **practise** at home (3-4 times a week) is essential.

### **Band Program Costs**

**Tuition Fees:** small group tuition and band rehearsal costs \$230 (plus \$10 resource levy) per term. Individual tuition costs extra and is not available at all schools.

**Instrument:** students require their own instrument. TSA sells quality new instruments, offers 'rent-to-buy' (starting at \$43 per month) and has an excellent selection of second hand instruments in near-new condition.

**Accessories:** students are provided with a workbook upon enrolment but may require other accessories, generally less than \$50 per year.

More information can also be found at [www.teachingservices.com.au](http://www.teachingservices.com.au) or use the QR codes overleaf.

## Expression of Interest

### **How to register your child's interest in the band**

Simply provide your child's name, class and school along with your contact email and phone number and TSA will include them in instrument trials at school. There is no commitment required and the online form will take less than a minute to complete.

- Open your smartphone camera app and point the camera at the QR code. Your device will recognise the QR code and shows a notification. Tap the notification and you will be taken to the online *Expression Of Interest* form.

### 119 Kurrawa Avenue, Point Clare, 2250

Open to Australians aged 13-18 of all genders and abilities, Australian Navy Cadets is a leading provider of youth development, continually evolving to meet the needs of Australia's youth and community expectations. The life skills that Cadets learn complement their academic achievements and stand them in good stead for rewarding careers. With a focus on the maritime domain, cadets participate in numerous exciting and rewarding activities, both on land and in the water, with the key objectives of building self-confidence, developing teamwork and evolving leadership skills.
